### Introducing Family Caregiving

*We believe that with Caregiving, it's all about choice. With Juniper you get the full spectrum of HOMECARE - Companions, Homemakers, Adult Day Care, Gourmet Meals on Wheels, and Personal Care--for just a few hours or even live-in, 24/7 care.*

*HOWEVER, no one cares for family like family! Now, we can offer you the training and support to help you continue caring for your loved one. We will provide you with financial and professional support while you stay home around the clock and give the best care to your Mom or Dad, Aunt or Uncle, Brother or Sister, or just to an old friend.*

## Juniper Homecare Is Pleased...

**to announce** The Connecticut Home Care Program for Elders\* to *your* family, in *your* community. Now, a relative or close friend can devote time, care, and service to an elderly consumer... *in their own home!*

Following a preliminary evaluation and qualification, **Juniper Homecare** will provide training and orientation, support, professional assistance, and even nutritional planning, meal preparation guidance, and adult day-care services as needed.

The Direct Caregiver - a family member or close friend residing with the aging consumer, will receive a regular, non-taxable monetary stipend (up to \$65/day/\$23k/year\*\*) for these services which will allow complete devotion to the needs of a loved relative or friend.

It's truly a "Labor of Love" and a heartwarming, rewarding, "everybody wins" opportunity! Learn how and if you qualify.
